Rob McCorkle travels the country full-time speaking and imparting kingdom truths. His desire is to equip the body of Christ to sustain revival cultures that bring transformation to their communities. Rob and his wife Cindy are the founders of Fire School Ministries, a ministry dedicated to writing and developing resources focused on helping people remain Scripture fed and Spirit led.

Christen and Michael Ball are devoted to helping others encounter the presence of God. Based in Nashville, they have led worship throughout the US and beyond. They have a deep passion for reaching the lost, which is the foundation of Christen's solo artist material; often featuring raw themes of forgiveness, hope, and healing.

Additional worship leaders as well
